

电源供应器 &gt; 冗余电源

## FSP065-RBBN3

65 W AC/DC Adapter

## Features

65 W AC/DC Adapter

## Specifications

| Environment           |                      |
|-----------------------|----------------------|
| Operating Temperature | 0°C ~ 60°C           |
| Storage Temperature   | -20°C ~80°C          |
| Input                 |                      |
| Voltage               | 90-264 VAC           |
| Frequency             | 47-63 Hz             |
| Input Current         | 3.42A                |
| Inrush Current        | 3.42A                |
| Output                |                      |
| Voltage               | 19 V                 |
| General               |                      |
| Watt                  | 65W                  |
| Efficiency            | 0.86                 |
| Dimensions            | 108.3 x 43.3 x 30 mm |

## Ordering Information

|                     |                                                                                                                                                                |
