

## PUZZLE-3032

Desktop Network Appliance with Intel® Atom® Processor C3000 Processor, with 8 x 2.5 GbE and 2 x 10 GbE, 1 x eMMC 64GB

## Features

- » Intel® Atom® C3558R 4C/4T (8M Cache, 2.4 GHz)
- » 2 x DDR4 2400MHz Non-ECC UDIMM
- » 8 x 2.5GbE RJ45 LAN ports, 2 x 10 GbE SFP+
- » 1 x RJ45 Console, 2 x USB 3.0
- » SATA DOM, 64GB eMMC

## Specifications

| 尺寸类型            |                                                           |
|-----------------|-----------------------------------------------------------|
| 尺寸类型            | Desktop                                                   |
| 系统              |                                                           |
| CPU             | Intel® Atom® C3558R 4C/4T (8M Cache, 2.4 GHz)             |
| 芯片组             | Intel® Denverton-R                                        |
| 内存              | 2 x DDR4 2400MHz Non-ECC UDIMM                            |
| 内存上限            | Up to 64GB                                                |
| 散热方案/系统风扇       | 2 x Cooling Fans                                          |
| 物理特性            |                                                           |
| 尺寸 (LxWxH) (mm) | 285 x 236.6 x 46.65                                       |
| 存储              |                                                           |
| 存储              | eMMC : 64GB                                               |
| I/O 接口          |                                                           |
| 网络              | 2 x SFP+ : 10 GbE                                         |
|                 | 8 x LAN : 2.5 GbE RJ45                                    |
| I/O接口           | 1 x Console port(s) : RJ45                                |
|                 | 2 x USB 3.0                                               |
| 扩展              | 4 x M.2(NGFF) -                                           |
|                 | 1 x 2242 B-Key M2 slot for M.2 SATA                       |
|                 | 1 x 3052 B-Key M.2 slot + SIM Card Socket for 5G/LTE Card |
|                 | 2 x 2280 M-Key M.2 slots for NVMe                         |
| 电源              |                                                           |
| Input           | 100 V ~ 240 V                                             |
| 电源供电            | Open Frame DPS-60AP-5D; Vin : 90 ~ 264VAC; 70W            |
| 环境              |                                                           |
| 操作温度            | 0°C ~ 40°C (32°F ~ 104°F)                                 |
| 存储温度            | -10°C ~ 50°C                                              |
| Humidity        | 5% ~ 90% non-condensing                                   |
| 认证              |                                                           |
| Safety & EMC    | CE, FCC, VCCI, RCM                                        |
| OS Compatible   |                                                           |
| OS Compatible   | Linux Ubuntu 18.04                                        |

## Ordering Information

|                           |                                                                                                                                                        |
